--	----------------------------	---	-------------------------------	---	------------------------------	---	------------------------

The incredible FC 450 is the flagship machine in the Husqvarna Motorcycles motocross line-up. Its class-leading performance is the result of combining a perfectly balanced chromium molybdenum chassis with a state-of-the-art engine. Additionally, riders can use multiple electronic rider aids to their advantage for a competitive edge on the race track. The FC 450 is...
